7. Old Business

-Wetlands Project: Jeremy reported that he is waiting for a response to the revised application from the Army Corps of Engineers

-Harald Haug estate: Jeremy reported that he has not had any updates from Mitchell Kuljis regarding the dispersal of funds.

8. New Business

-Maxine Yadon Estate: Jeremy reported that the library has been notified that it will be the beneficiary of money from the Yadon estate. The attorney's handling the estate do not have any information on how much money will be dispersed.

-Long-term planning: Sandy Grummon asked whether or not the library should consider setting aside money on a regular basis for the future replacement of the library facility. After some Board discussion, it was decided that this question merits more in-depth discussion. Jeremy suggested that we have a work session to begin putting together a strategic plan for the library. The Board agreed that this work session could take the place of the regularly scheduled September Board meeting.

-Library parking lot issues: Jeremy reported that the library staff has observed problems with overnight camping in the parking lot. Jeremy has been in conversation with the City Police, who are recommending that the library post signage and turn off the wi-fi after hours. The Board discussed these options and decided to table the discussion for September when we will discuss other services for the library as a part of a strategic planning discussion.

-Changing the Names on the Library Credit Card: Jeremy recommended that we remove Sandy Mathers from the Library's Umpqua Bank credit card account, and add Jordan Popoff and Brandon Slagle. Sandy Grummon noted that this was fine, but that she hoped we could work to make the credit card statement more transparent to limiting the possibility of misuse. Jerry Herbage moved that Jordan Popoff and Brandon Slagle be added to the Umpqua Bank Credit Card Account. Sandy Grummon seconded the motion, and the vote in favor was unanimous.

4. The Meeting was Adjourned at 6:30 pm.
